1 Rationale

- 1.1 As a charitable company, limited by guarantee, The Gosforth Federated Academies Limited (the “Gosforth Group” or the “Trust”) is governed by a Board of Directors also known as Trustees.
- 1.2 As a Multi Academy Trust (MAT), the Board of Trustees is accountable in law for all major decisions about their academies and any subsidiary companies.
- 1.3 The Trust Board, however, is not required to carry out all the Trust’s governance functions and many can, and should, be delegated to the Chief Executive Officer (CEO) and the Executive Team, the Trust Board’s committees, and the Academy Advisory Groups (AAG). Without such delegation, the individual or committee has no power to act.
- 1.4 The Scheme of Delegation (SoD) is the key document that defines the lines of responsibility and accountability in a MAT to ensure that Members, Trustees, board committees, AAGs, executive leadership and academy Principals understand their roles and responsibilities.
- 1.5 This overarching SoD for all decision making in the Trust should not be confused with the written scheme of delegation of financial powers referred to in the Education and Skills Funding Agency’s [Academy Trust Handbook 2023](#).
- 1.6 As the MAT matures and grows the workings of the MAT, both in terms of governance and management are likely to change. The SoD must be reviewed annually, with changes made as the context changes, in recognition of the need to be responsive to changing circumstances and to adapt accordingly. It is important to the Trustees to ensure that all involved in governance are made aware of any changes and what these mean in practice.
- 1.7 This Scheme of Delegation applies to all academies within the Gosforth Group:
 - Callerton Academy
 - Gosforth Academy
 - Great Park Academy
 - Jesmond Park Academy
 - Junior High Academy
 - North Gosforth Academy

2. Characteristics of an effective scheme of delegation

- 2.1 In accordance with the Department for Education’s (DfE) [Governance handbook 2020](#), the Gosforth Group’s scheme of delegation:
 - Reflects the Trust’s ethos, promoting a positive climate and a culture of honesty, transparency, and accountability for the benefit of all stakeholders;
 - Ensures that executive leadership is clear about which decisions the Board of Trustees retains, and the extent of executive powers

- Identifies responsibility for the appointment and performance management of the CEO, the Executive team and academy Principals;
- Ensures that the role of executive leadership is fully understood throughout the Trust; and
- Identifies where the Board of Trustees retains responsibility for:
 - determining policy;
 - management of risk;
 - oversight of budgets and financial management;
 - oversight of educational performance.

3.0 Governance structure and accountability

3.1 Vision and ethos

3.1.1 'Create your future' encapsulates our purpose as a MAT: to educate, support and nurture all of our students so they can achieve their potential and fulfil their ambitious aspirations.

3.1.2 We are a dynamic and diverse MAT – this means we have a clear energy and purpose and all students are valued equally, regardless of their background or ability. We pride ourselves on our comprehensive, diverse intake and our inclusive approach.

3.1.3 Our principal aim is to encourage high expectations and high standards of achievement, both academic and personal. Our values embrace honesty, trust, reliability, creativity, respect for the legitimate rights of others, care for the vulnerable members of society, regard for the environment and kindness towards other people.

3.1.4 We believe that a safe, calm, friendly, disciplined atmosphere, in which hard work and co-operation are respected, is the best way to promote these values.

3.2 The DfE's Governance handbook (October 2020) confirms three core governance functions, and the Board of Trustees fulfil these responsibilities with passion and rigour to determine and support the vision and ethos of the Gosforth Group.

DfE Governance Handbook 2020 – Effective Governance¹

Ensuring clarity of vision, ethos and strategic direction

Holding executive leaders to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff; and

Overseeing the financial performance of the organisation and making sure its money is well spent

¹ Department for Education (October 2020), 'Governance handbook. Academy trusts and maintained schools', page 13

3.3 This is achieved through a model and structure with three clear layers of governance: Members, Trustees, and Committees, including Academy Advisory Groups.

3.3.1 The **Board of Members** - ensures the Trust meets its charitable objective by appointing trustees, agreeing articles of association, and appointing the auditors

3.3.2 The **Board of Trustees** – is the employer and accountable body, which carries out the core governance functions and ensures compliance with statutory and regulatory functions, including appointing the Chief Executive Officer

3.3.3 The **Board Committees**, including **AAGs** – are responsible for specific tasks as outlined in their terms of reference and for oversight of academy performance, escalating any concerns to the Board of Trustees

3.4 The Trust's model of delegation makes it clear that:

- Members have a limited yet distinct and vitally important role;
- The Board of Trustees is responsible for the core governance functions;
- The Board of Trustees appoint the CEO, to whom it delegates responsibility for the conduct and performance of the trust, including the performance of the academies within the trust, and for its financial management.

3.5 Establishing the committees

3.6 In order to support the effective operation of the Trust and the Academies, the Board has established a number of committees to which it has delegated certain of its powers and functions. These terms of reference (**Terms of Reference**) set out the constitution, membership, and proceedings of the committees the Board has established. Detailed terms of reference for each committee are included at Appendix A, which confirms each committee's purpose, remit and status.

3.7 In summary, the Board has established three different types of committees:

1. Board committees which are established to deal with Trust-wide matters such as educational performance and quality, audit, finance, pay and performance management; and
2. Academy Advisory Groups which are established by the Board to support the effective operation of the Academies. AAGs provide links to parents and the community, as well as providing additional scrutiny of how the Trust is managing its schools. AAGs act as a critical friend to the Principals on matters of performance, education, behaviour attendance and staff performance. They provide support in the effective operation of the Trust and its policies and provide a vehicle for Trust board engagement. They will escalate any concerns to the Board of Trustees
3. The Board also convenes various sub-committees/ panels to consider matters in relation to appeals concerning pupil discipline, pupil admissions, staffing appointments and dismissals, staff pay, as well as independent panels to consider formal complaints.

3.8 The Board has resolved to establish the following Board Committees:

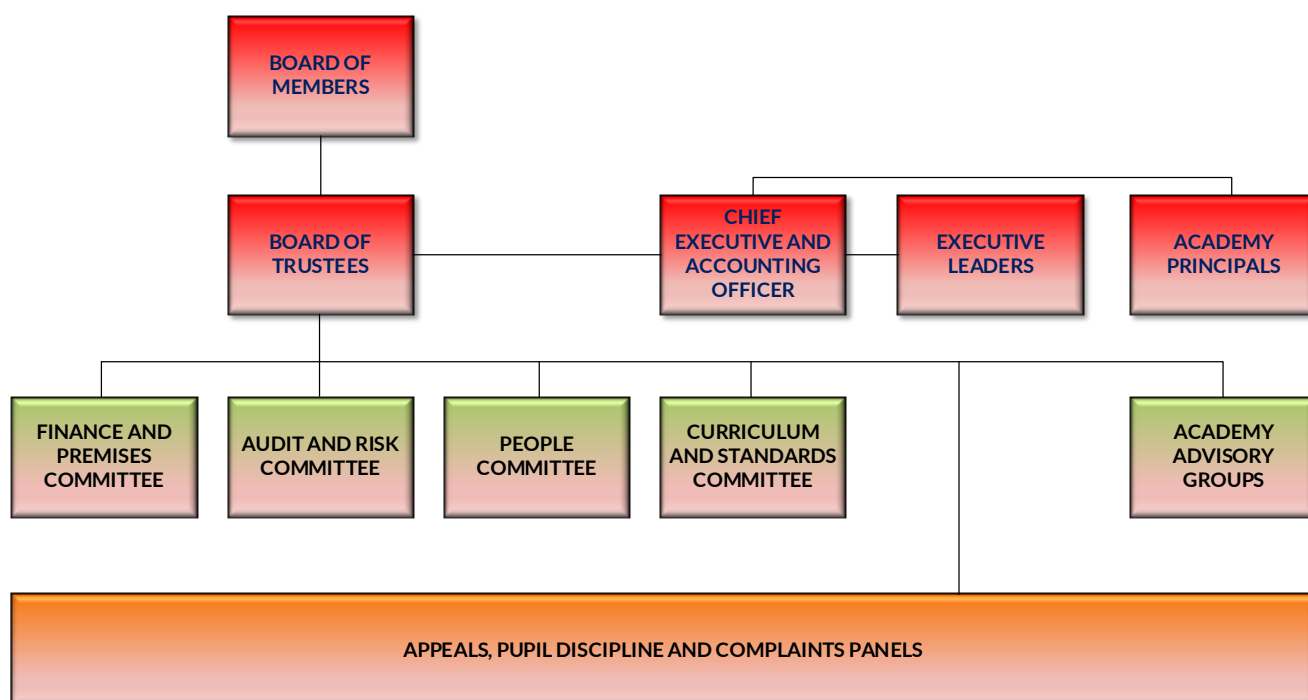

3.8.1 Finance and Premises Committee

3.8.2 Audit and Risk Committee

3.8.3 People Committee

3.8.4 Curriculum and Standards Committee

- 3.9 The Board has also resolved to establish AAGs for its academies (6), each as a separate committee of the Board. An AAG may act in respect of two or more academies, if required.

3.10 Exercising powers and decisions

- 3.10.1 The Trust ensures that there is separation between the individuals who sit as Members, Trustees and Academy Advisors to ensure objectivity when exercising powers under this scheme.
- 3.10.2 The Board of Trustees require that all powers and decisions are determined in accordance with the Trust's policies and any statutory or regulatory requirements, and in a manner consistent with the Trust's vision and values.
- 3.10.3 A Governance Code of Conduct for Trustees and Academy Advisors sets out the standards expected of individuals, when exercising their role and responsibilities. It incorporates the seven principles of public life that apply to all individuals elected or appointed to public office, or to work in, all sectors that provide public services; selflessness, integrity, objectivity, accountability, openness, honesty and leadership.
- 3.10.4 Members, Trustees, Academy Advisors, and selected staff complete a Declaration of Interests to identify any conflicts of interests and ensure any effect on decision-making is prevented.
- 3.10.5 Detailed delegated duties and delegated authorities are provided at Appendix B, illustrating the specific delegation of decision-making powers the Board of Trustees has approved.

4.0 Roles and responsibilities

4.1 The role of members

- 4.1.1 The Members of the Trust are guardians of the Trust's governance and must ensure it carries out its charitable objective.
- 4.1.2 There must be at least three Members, although the Trust conforms to the DfE's preference for at least five; Members are not permitted to be employees of the Trust.
- 4.1.3 The Members agree the Trust's articles of association, appoint Trustees and appoint the Trust's external auditors.
- 4.1.4 The Members should receive information about the Trust's business and receive the annual report and accounts. If they have concerns that the Trust is not carrying out its charitable objective, Members should remove the Trustees that are failing to fulfil this responsibility.

4.2 The role of the Chair of Trustees and Chairs of Committees

- 4.2.1 The Chair of the Board of Trustees provides visionary strategic non-executive leadership to the Trust taking the lead in the effective functioning of the Board of Trustees with a vital role in setting the highest expectations for professional standards of governance.
- 4.2.2 It is the Chair of the Board's responsibility to give the Board of Trustees clear leadership and direction, keeping it focused on its core functions.
- 4.2.3 A sounding board for the CEO, the Chair of the Board provides support as well as challenge. This includes working collaboratively with the CEO to engage with the Regional Schools Director, the DfE and local authorities.
- 4.2.4 No person may act as Chair of any Board Committee unless they are also a Trustee.
- 4.2.5 The Board of Trustees and each Board Committee, , shall at the first meeting of each academic year elect a chair and vice-chair of the committee. The committee will elect a temporary replacement from among the members present at any meeting where the Chair is absent unless a vice-chair has been previously elected.
- 4.2.6 The AAGs shall at the first meeting of each academic year appoint an Academy Advisor² to act as Chair of the AAG. At each meeting, if the Chair is absent, the AAG will elect a temporary replacement from among the members present at the meeting unless a vice-chair has been previously elected.
- 4.2.7 No person may act as Chair of any committee if they are an employee of the Trust.

² For the academic year 2024-25 the chair of the AAG will continue to be a trustee to maintain effectiveness during the transition and development of the AAGs.

- 4.2.8 The Board of Trustees may appoint a Chair to an AAG if the performance of the AAG is judged to require a Chair appointed by the Trustees.

4.3 The role of trustees

- 4.3.1 The Trust is a charitable company and so Trustees are both charity trustees (within the terms of section 177(1) of the Charities Act 2011) and company directors (within the terms of the Companies Act 2006).
- 4.3.2 Trustees are bound by both charity and company law so the terms 'trustees' and 'directors' are often used interchangeably. Gosforth Group uses the term Trustee as it avoids the possible confusion caused when executive and senior leaders are called directors but are neither company directors nor trustees. The use of Trustee also serves to highlight the overarching charitable purpose of the organisation, distinguishing it from other directorships that may be held in the private sector.
- 4.3.3 Trustees are responsible for the general control and management of the Trust, and in accordance with the provisions set out in the memorandum and articles of association and its funding agreement are legally accountable for all statutory functions and for the performance of all the academies within the Trust; they do this by carrying out the core governance functions, outlined in section 3.2.
- 4.3.4 The Board of Trustees must approve a written scheme of financial delegation and if they choose to delegate to board committees and AAGs, must approve a written scheme of delegation and committee terms of reference.
- 4.3.5 The Trust creates information pathways between the Board of Trustees, board committees, AAGs and the CEO so that concerns or celebrations can be shared.

4.4 The role of committees

- 4.4.1 Trustees delegate some governance functions to board committees, one of which must include audit and risk which advises on the adequacy of the Trust's controls and risks.
- 4.4.2 Board committees must have at least five Trustees in membership, and Trustees must be in the majority for voting purposes; it is usual for the Board of Trustees to appoint board committee chairs and committee members according to their skills.
- 4.4.3 The Board of Trustees delegates detailed scrutiny of financial management and performance to the Finance and Premises Committee.
- 4.4.4 The Board will appoint and remove all committee members.
- 4.4.5 The current composition and membership of Board Committee members are set out in the terms of reference and in the register of committee members maintained by the Trust and which at the date of adoption of this SoD is published on the trust website at [MAT governance structure](#)

- 4.4.6 No trustee of the Board can serve on both the Finance and Premises Committee matters and the Audit and Risk Committee.
- 4.4.7 The Board recognises the overriding principles of the Academy Trust Handbook (the **ATH**) and that the Audit and Risk Committee should be established in such a way as to achieve internal scrutiny which delivers objective and independent assurance for the Trust. In establishing the Audit and Risk Committee the Board will adhere to the principles of the AFH and:
- 4.4.7.1 staff employed by the Trust will not be members of the Committee, but may attend meetings to provide information and participate in discussions: and
 - 4.4.7.2 the Trust's Accounting Officer and other relevant senior staff will routinely attend committee meetings in the capacity set out above.

4.5 The role of the Academy Advisory Groups

- 4.5.1 Trustees delegate some governance functions to AAGs; the Articles of Association do not require Trustee members of local governing bodies and by committing to the separation of individuals on each tier in the governance structure, trusts are able to demonstrate transparent decision making and prevent bias and conflicts from emerging, thus strengthening the governance checks and balances within the Trust. Currently there are a limited number of Trustee members on AAGs to enhance communications and governance.
- 4.5.2 The Board of Trustees approves the appointment of the AAG chairs and the appointment of the Academy Advisors.
- 4.5.3 In accordance with the DfE Governance Handbook the Trust may choose to delegate to an AAG that oversees more than one academy, and these committees may include Trustees.
- 4.5.4 Parent representation will be at Academy Advisory Group level with parents elected to sit on the AAGs.
- 4.5.5 AAGs afford a valued point of consultation and representation in the development of the Trust's policies and are the recipients of detailed information about how their academies are being managed.
- 4.5.6 The AAGs are tasked with scrutinising management information thus providing assurance to Trustees that the academy is:
- operating within the ethos and values of the trust and creating a positive climate for all stakeholders
 - working within agreed policies
 - meeting agreed targets
 - engaging with stakeholders
 - acting as an ambassador for the trust
- 4.5.7 The Board of Trustees demonstrates the value it puts on local governance by ensuring effective channels of communication between Trustees and Academy

Advisors, as well as providing specific training and development programmes for all involved in the governance of the Trust.

4.6 The role of the Chief Executive Officer

- 4.6.1 The trustees delegate the day-to-day management of the Trust to the CEO, line managing in line with the Trust's appraisal and performance management policies.
- 4.6.2 The CEO is also the Accounting Officer and is responsible for the performance of the Trust as a whole, and has a personal responsibility to parliament for the regularity, propriety and value for money, and for assuring the Board of Trustees about compliance with the funding agreements and the Academy Trust Handbook.
- 4.6.3 The CEO is responsible for the leadership and management of the central executive team and the academy's Principals and reports to the Board of Trustees and its committees.

4.7 The role of Principals

- 4.7.1 The CEO delegates the day-to-day management of the Trust's academies to Principals, line managing them in accordance with the Trust's appraisal and performance management policies.
- 4.7.2 Principals share information about how the Trust is managing the academy with the AAGs so that Advisors build an understanding about how the academy operates and are enabled to monitor and scrutinise how key policies and improvement plans are working in practice.

4.8 Role descriptors

- 4.8.1 More detailed role descriptions are provided at Appendix C.

5 Proceedings of committee meetings

- 5.1 The Committees will meet as often as is necessary to fulfil their responsibilities but at least four times a year.
- 5.2 The quorum for the transaction of the business of a Board Committee shall be a majority of the Committee members and no vote on any matter shall be taken at a meeting of the Committee unless the majority of members of the Committee present are Trustees.
- 5.3 The Chief Executive Officer shall ensure that a clerk is provided to take minutes at meetings of the Board Committees.
