1 Introduction

- 1.1 Gosforth Group Multi Academy Trust (the MAT) recognises the value of outdoor activities and educational visits to children and young people. The MAT fully supports and encourages visits and activities that are appropriately assessed, planned, managed and conducted.
- 1.2 This policy has been produced to help make visits enjoyable, rewarding and as safe as possible. It is not intended that the policy will reduce the number or range of educational visits and outdoor learning opportunities but will instead encourage continued safe practice by all those involved.
- 1.3 This Policy sets out the framework and standards for all educational visits and activities away from the school base. It applies regardless of when the visit or activity takes place and includes educational visits, outings, visits to parks, libraries, museums, sporting fixtures, cultural recreational and exchange trips, outdoor adventurous activities, residential visits and field trips etc. This isn't an exhaustive list.

2 Educational Visits Advisory Service (EVAS)

- 2.1 The EVAS is delivered by professional H&S Officers from the Schools H&S Team. [Contact details for the Schools H&S Team](#) are available from the Schools H&S website.
- 2.2 The service delivered by EVAS includes:
 - The provision of this policy on Educational Visits. This provides a management framework for schools' educational visits and is available on the Schools H&S Webpages.
 - Provision of H&S advice in relation to visit planning and assessment processes.
 - Facilitation of initial training for Educational Visits Co-ordinators (EVCs), Visit Leaders and Assistant Visit Leaders as well as re-validation training for EVCs after 3 years.
 - Independent validation and scrutiny of the assessment & planning processes for category 3 (high risk visits - see section 12) in Trust, Voluntary Aided and Academy schools to confirm that assessments and planning processes are satisfactory.
 - Approving assessment & planning processes for category 3 (high risk visits – see section 12) in Community Controlled Schools to confirm they are satisfactory.
 - Approving Activity Leaders for Adventurous activities (see section 15)
 - Auditing management arrangements for educational visits on a sampled basis.

3 EVOLVE

- 3.1 The service delivered by EVAS is supported by EVOLVE an online information management system, used for the notification, approval and monitoring of visits and adventurous activities.

- 3.2 EVOLVE provides an auditable record trail and enables schools to monitor the assessment and planning processes carried out for each visit.
- 3.3 It's recommended that all visits (in categories 1-3, see section 12) be recorded on Evolve, **but as a minimum all Category 2 and 3 visits must be recorded on EVOLVE.** These visits are automatically notified to the EVAS for independent scrutiny of the assessment and planning processes.
- 3.4 Where schools choose not to enter visits in categories 1 and 2 on EVOLVE, they must ensure that records are kept in another appropriate format and be available for inspection.

4 Outdoor Education Advisers Panel (OEAP) – National Guidance

- 4.1 This policy adopts and is underpinned by the national standards and advice provided by the [Outdoor Education Advice Panel guidance](#).

5 Legal Requirements

- 5.1 The Trustee body is the employer in the MAT, Trust and therefore carries ultimate legal responsibility for ensuring the health and safety of all pupils and staff in relation to day-to-day activities and educational visits.
- 5.2 In broad terms, all MAT schools should have adequate arrangements in place to:
- Ensure staff with key roles are appropriately trained, experienced and competent in relation to their roles
 - Assess the risks
 - Implement sensible, proportionate control measures to reduce risks to an acceptable level. Residual risks should be acceptable based on benefits likely to be gained.
 - Provide adequate levels of supervision
 - Communicate arrangements to all parties
 - Identify emergency support arrangements
 - Record, investigate and report accidents and incidents.
 - Check and monitor that assessment, planning and control arrangements are implemented
 - Review outcomes and consider lessons learnt.
- 5.3 Risk assessments must be recorded where significant risk of harm/injury has been identified. Blank risk assessment forms and general advice on how to carry out [risk assessments](#) are available from the Council's H&S website.

6 Inclusion and Equality

- 6.1 Visits should be available to all children and young people regardless of background or abilities. The MAT ensures that its provision meets the requirements of the Equalities

Act 2010 and Special Educational Needs and Disability Act 2001. Guidance on inclusion can be found on the OEAP website.

 - They authorise Category 3 visits in Evolve at least 4 weeks prior to the visit.
 - They approve category 1 and 2 visits. Blanket approval arrangements outlined in the schools own Educational Visits Policy are normally sufficient for category 1 visits.
 - Accident recording, investigation and reporting arrangements are in place
 - Checking and monitoring arrangements to confirm that visit assessment and planning arrangements are appropriate. This is normally undertaken by the EVC.
 - The mechanism for reviewing the adequacy of visit assessment and planning processes, visit and learning outcomes and considers lessons learnt.
- 9.2 Guidance on writing a local [Educational Visit's Policy](#) is available on the OEAP national guidelines website.

- 10.1 It is expected that an EVC will be appointed where schools plan, organise and deliver educational visits and off site activities.
- 10.2 It is expected that EVCs will comply with their roles and responsibilities outlined by the OEAP <http://oeapng.info/evc/>.
- 10.3 EVC must attend EVC training arranged through EVAS, re-validated every three years.
- 10.4 The EVC will:

Visit details will automatically be notified to EVAS.
 - Obtain final approval from the Principal for all visits in categories 1, 2 and 3. Blanket approval arrangements for visits in category 1 should be covered in the School's Educational Visits Policy.

11 Visit Leaders' Roles & Responsibilities

- 11.1 The Visit Leader has overall responsibility for the assessment, planning, supervision, conduct and safety of young people on the visit or adventurous activity.
- 11.2 It is expected that the [Visit Leader](#) will comply with their roles and responsibilities outlined in the OEAP national guidelines and will:
- Where necessary undertake pre-visits
 - Undertake a risk assessment identifying the main risks and identify as part of a thorough planning process how these will be controlled
 - Inform parents in advance of the nature of the visit and gain their consent and details of medical requirements
 - Continually assess risks during the visit and encourage young people to take an active role in this process.

12.2 Category 3 visits must be authorised in EVOLVE by the Principal and notified to EVAS at least **four weeks** prior to the visit. This is to provide time for any issues identified to be addressed by the school prior to validation being given by EVAS.

12.3 For more complex visits, more time should be allowed. Schools are encouraged to ask the Educational Visits Advisory Service to comment on unsubmitted draft plans in EVOLVE for complex visits at an early stage, which could be a year or more prior to the visit.

12.4 Schools are advised not to sign contracts with providers or make commitments to participants or parents/carers until they're sure that requirements for validation/approval can be met.

14 Visit Approval Processes

- 14.1
- For all visits in categories 1 & 2, the Visit Leader will upload relevant details onto EVOLVE. The EVC will then access this information and pass it on to the Principal who will either approve or not approve the visit to take place.
 - Approval for category 3 visits is given by the Principal (in accordance with the schools Educational Visits Policy) **following validation/approval from EVAS of the assessment & planning processes.** EVAS carry out independent scrutiny and will raise any relevant queries to confirm that assessment and planning processes are reasonable and proportionate to the risks.

- EVCs will obtain approval from EVAS for each Visit Leader appointed to lead all category 3 visits using EVOLVE (see section 15)
 - It is expected that the EVC or Principal will seek further advice from EVAS when necessary.
- 14.2 Schools running Duke of Edinburgh's Award (DofE) expeditions must follow the approval processes and timescales outlined in 13.1 for the different categories of visit.
- 14.3 A copy of the Wild Country Notification (Green Form) should be included with the EVOLVE submission, where relevant to the DofE expedition.
- 14.4 Please note Visit Leaders for DofE expeditions considered to be adventurous (see section 12) are required to have approval from EVAS using Evolve.

15 Visit Leaders' Competence and Approval

- 15.1 Staff wishing to lead adventurous activities (see section 13) must have approval to do so from EVAS using EVOLVE. Approval will be based upon evidence of competence, which will include relevant qualifications, training and experience where relevant.
- For a specific visit, evidence of leader competence is required on the Activity Leader Form (ALF) prompted through EVOLVE
 - If a leader wishes to apply for generic approval to lead a specific adventurous activity, they should complete a Leader Approval Request (LAR) in EVOLVE for endorsement by their Principal who submits it through EVOLVE for approval from the EVAS. When approval has been received, it may be attached to future ALFs as evidence.
- 15.2 Principals are responsible for approving all other Visit Leaders. Principals must ensure that all Visit Leaders and Assistant Leaders are competent to fulfil these roles and responsibilities before approving them to lead educational visits. Principals should refer to the OEAP guidance documents (available from their website) on:
- Approval of Leaders
 - Good Practice Basics

Which provide advice (including competency/qualifications matrix) to Principals to assist in this decision.

- 15.3 Further advice is available from EVAS if there is doubt regarding the competence of a member of staff to lead an educational visit.

16 Minibus Driving

- 16.1 Eligibility to drive a minibus is set out in 'Guidance on Driving Minibuses' available from the Schools H&S website.

- 16.2 Schools should ensure that drivers new to driving minibuses are given familiarisation training/instruction to ensure they are competent and able to safely manoeuvre the vehicle, prior to driving a group of children.
- 16.3 Schools must ensure they comply with the guidance on [Transport in Minibuses](#) provided by the OEAP.

17 Emergency Planning & Critical Incidents

- 17.1 A critical incident is an incident where a participant in a visit:
- Has suffered a life threatening injury or fatality
 - Is at serious risk
 - Has gone missing for a significant and unacceptable period of time.
- 17.2 It is essential that schools should have their own emergency arrangements in place as part of the planning arrangements for each visit, to enable them to respond to a critical incident both inside and outside normal school hours.
- 17.3 Please note EVAS don't provide an out of hours support service. In the unlikely event that a school requires out of hours support that can't be provided by the Principal, contact the Business Continuity Risk & Resilience Team on mobile: 07736372567.

18 Accident Recording, Investigation and Reporting

- 18.1 The Council's [Accident recording and reporting procedure](#) must be followed for all accidents on visits involving staff, pupils or volunteer helpers. All accidents will be screened by the EVAS and reported to the Health and Safety Executive where necessary.
- 18.2 Schools must undertake an investigation following any accident or critical incident. Accident report forms, and guidance on conducting an investigation are available from the Schools H&S Website, see link above.
- 18.3 EVAS must also be notified as soon as practical in cases where there has been a serious injury or fatality. [Contact details](#) are on the Schools H&S website.

19 Supervision

- 19.1 Guidance on supervision levels is provided by the OEAP in their documents:
- Ratios and Effective Supervision
 - Group Management & Supervision
- 19.2 Supervision and types of supervision should be determined as part of the risk assessment process taking account of factors such as:
- Age of the group
 - Gender issues

- Nature and location of the activity (type of activity, hazard levels, skill levels involved, time of year, conditions etc)
- Staff competence

20 Assessing Venues and Providers

- 20.1 Visit Leaders and EVCs must follow OEAP guidance on preliminary Visits and provider assurances.
- 20.2 The Learning Outside the Classroom Quality Badge provides sufficient reassurance that a provider meets nationally required minimum standards of safety and quality. Details of a providers' status can be checked on the Quality Badge website. www.lotcqualitybadge.org.uk.

It is important to note that if a provider does not have the Learning Outside the Classroom Quality badge, then a Provider Form must be completed.

20.3

21 Monitoring

- 21.1 Principals are responsible for ensuring that appropriate arrangements are in place at local level to monitor that the assessment and planning processes are being followed and arrangements are adequate and proportionate to the risks. Monitoring is normally undertaken by the EVCs, or another member of the senior management team to provide challenge and assurance that processes are robust. Monitoring can include:
- Desk top review of records involved in the assessment, planning and approval process, available through the EVOLVE system or schools equivalent system, undertaken on a sampled basis
 - Direct observation of a visit in progress.

22 Reviewing Visits

- 22.1 Schools must have arrangements in place to review the outcomes of visits, including learning outcomes and to consider any lessons learnt. This is essential where visits have involved accidents or a critical incident.
- 22.2 Reviews should occur immediately following any visit involving an accident or critical incident but otherwise may occur at appropriate intervals during the course of the year after a number of visits have occurred.

23 Auditing

- 23.1 EVAS will undertake audits on a sampled basis of all records involved in the visit assessment, planning and approval process to confirm compliance with best practice, this policy and OEAP standards.

24 Insurance

- 24.1 Schools must ensure that they have appropriate insurance arrangements in place for all educational visits. Guidance on insurance is available from the OEAP website.
- 24.2 Schools are strongly recommended to arrange Cancellation and Personal Accident cover for educational visits, unless they already have blanket insurance cover in place. This should cover cancellation of contracts with providers in the event of travel difficulties, illness/injury to participants or their families. Any exclusion clauses should be carefully checked.

25 Further Advice & Information

- 25.1 Further information and advice is available from the EVAS delivered by the Schools H&S Team, [contact details](#) are on the Schools H&S website.
